**23. Access To Records**

- a. The Department of Law Enforcement, the Auditor General of the State of Florida, the U.S. Department of Justice, the U.S. Comptroller General or any of their duly authorized representatives, shall have access to books, documents, papers and records of the subgrant recipient, implementing agency and contractors for the purpose of audit and examination according to the OJP *Financial Guide*, and the U.S. Department of Justice *Common Rule for State and Local Governments*.
- b. The Department reserves the right to unilaterally terminate this agreement if the subgrant recipient, implementing agency, or contractor refuses to allow public access to all documents, papers, letters, or other materials subject to provisions of *Chapter 119, Florida Statutes*, and made or received by the subgrant recipient or its contractor in conjunction with this agreement.

**24. Retention of Records**

The subgrant recipient shall maintain all records and documents for a minimum of three (3) years from the date of the final financial statement and be available for audit and public disclosure upon request of duly authorized persons.

**25. Signature Authority**

Both the Subgrant Recipient Authorizing Official or Designated Representative and the Implementing Agency Official, Administrator or Designated Representative who sign Section I, Signature Page, have the authority to request changes to the approved agreement. The Project Director has authority to submit Financial and Performance Reports, with the exception of the Closeout Package, which also requires the signature by the Chief Financial Officer of the Subgrant Recipient or authorized designee.

**26. Delegation of Signature Authority**

The letter indicating delegation of signature authority must be signed by the chief officer or elected official and the person receiving signature authority.

**27. Personnel Changes**

Upon implementation of the project, in the event there is a change in Chief Executive Officers for the Subgrantee or Implementing Agency, Project Director, or Contact Person, the OCJG must be notified in writing with documentation to include appropriate signatures.

**28. Background Check**

Whenever a background screening for employment or a background security check is required by law for employment, unless otherwise provided by law, the provisions of Chapter 435, Florida Statutes shall apply.

- a. All positions in programs providing care to children, the developmentally disabled, or vulnerable adults for 15 hours or more per week; all permanent and temporary employee positions of the central abuse hotline; and all persons working under contract who have access to abuse records are deemed to be persons and positions of special trust or responsibility and require employment screening pursuant to Chapter 435, F.S., using the level 2 standards set forth in that chapter.
- b. All employees in positions designated by law as positions of trust or responsibility shall be required to undergo security background investigations as a condition of employment and continued employment. For the purposes of the subsection, security background investigations shall include, but not be limited to, employment history checks, fingerprinting for all purposes and checks in this subsection, statewide criminal and juvenile records checks through the Florida Department of Law Enforcement, and federal criminal records checks through the Federal Bureau of Investigation, and may include local criminal records checks through local law enforcement agencies.
  - (1) Any person who is required to undergo such a security background investigation and who refuses to cooperate in such investigation or refuses to submit fingerprints shall be disqualified for employment in such position or, if employed, shall be dismissed.

**Edward Byrne Memorial State and Local Law Enforcement Assistance Formula Grant Program**

- (2) Such background investigations shall be conducted at the expense of the employing agency. When fingerprinting is required, the fingerprints of the employee or applicant for employment shall be taken by the employing agency or by an authorized law enforcement officer and submitted to the Department of Law Enforcement for processing and forwarding, when requested by the employing agency, to the United States Department of Justice for processing. The employing agency shall reimburse the Department of Law Enforcement for any costs incurred by it in the processing of the fingerprints.
- 29. Drug Court Projects**
- a. A Drug Court Project funded by the Byrne Formula Grant Program must contain the 10 key elements outlined in the U.S. Department of Justice, Office of Justice Programs, Drug Courts Program Office, program guidelines "Defining Drug Courts: The Key Components", January 1997. This document can be obtained from FDLE, Office of Criminal Justice Grants, at (850) 410-8700.
- b. To ensure more effective management and evaluation of drug court programs, the subgrant recipient agrees that drug court programs funded with this award shall collect and maintain follow-up data on criminal recidivism and drug use relapse of program participation. The data collected must be available to U.S. DOJ and FDLE upon request.
- 30. Overtime for Law Enforcement Personnel**
- Prior to obligating funds from this award to support overtime by law enforcement officers, the U.S. Department of Justice encourages consultation with all allied components of the criminal justice system in the affected jurisdiction. The purpose of this consultation is to anticipate and plan for systemic impacts such as increased court dockets and the need for detention space.
- 31. Criminal Intelligence System**
- a. The purpose of the federal regulation published in 28 CFR Part 23 - Criminal Intelligence Systems Operating Policies is to assure that subgrant recipients of federal funds for the principal purpose of operating a criminal intelligence system under the Omnibus Crime Control and Safe Streets Act of 1968, 42 U.S.C. 3701, et seq., as amended, use those funds in conformance with the privacy and constitutional rights of individuals.
- b. The subgrant recipient and a criminal justice agency that is the implementing agency agree to certify that they operate a criminal intelligence system in accordance with *Sections 802(a) and 818(c) of the Omnibus Crime Control and Safe Streets Act of 1968*, as amended and comply with criteria as set forth in *28 CFR Part 23 - Criminal Intelligence Systems Operating Policies* and in the Bureau of Justice Assistance's *Formula Grant Program Guidance*. Submission of this certification is a prerequisite to entering into this agreement.
- c. This certification is a material representation of fact upon which reliance was placed when this agreement was made. If the subgrant recipient or criminal justice agency operates a criminal intelligence system and does not meet Act and federal regulation criteria, they must indicate when they plan to come into compliance. Federal law requires a subgrant-funded criminal intelligence system project to be in compliance with the Act and federal regulation prior to the award of federal funds. The subgrant recipient is responsible for the continued adherence to the regulation governing the operation of the system or faces the loss of federal funds. The Department's approval of the subgrant recipient agreement does not constitute approval of the subgrant-funded development or operation of a criminal intelligence system.
- 32. Confidential Funds**
- A signed certification that the project director or the head of the Implementing Agency has read, understands, and agrees to abide by all of the conditions for confidential funds as set forth in the effective edition of OJP's Financial Guide is required from all projects that are involved with confidential funds from either Federal or matching funds. The signed certification must be submitted at the time of grant application.
- 33. Equal Employment Opportunity (EEO)**
- a. No person, on the grounds of race, creed, color or national origin shall be excluded from participation in, be refused benefits of, or otherwise subjected to discrimination under grants awarded pursuant to Title VI of the Civil Rights Act of 1964; Section 504 of the Rehabilitation Act of 1973, as amended; Title IX of the

Education Amendments of 1972; The Age Discrimination Act of 1975; and, Department of Justice Non-Discrimination Regulations 28 CFR Part 42, Subparts C, D, E, F, G and H.

- b. The subgrant recipient and a criminal justice agency that is the implementing agency agree to certify that they either do or do not meet EEO program criteria as set forth in Section 501 of The Federal Omnibus Crime Control and Safe Streets Act of 1968, as amended and that they have or have not formulated, implemented and maintained a current EEO Program. Submission of this certification is a prerequisite to entering into this agreement. This certification is a material representation of fact upon which reliance was placed when this agreement was made. If the subgrant recipient or implementing agency meet Act criteria but have not formulated, implemented and maintained such a current written EEO Program, they have 120 days after the date this agreement was made to comply with the Act or face loss of federal funds subject to the sanctions in the Justice System Improvement Act of 1979, Pub. L. 96-157, 42 U.S.C. 3701, et seq. (Reference Section 803 (a) of the Act, 42 U.S.C. 3783 (a) and 28 CFR Section 42.207 Compliance Information).
  - c. Any state agency, county or city receiving a single grant award for \$500,000 or more OR an aggregate of grant awards for \$1,000,000 or more during any 18 month period in federal funds, must have approval of its EEO Plan by the U.S. DOJ, Office for Civil Rights (OCR). The subgrantee shall submit its EEO Plan to FDLE, for submittal to the U.S. DOJ, OCR for approval. If the U.S. DOJ, OCR has approved an agency's EEO Plan during the two previous years, it is not necessary to submit another EEO Plan. Instead, the subgrantee need only send a copy of its approval letter from the OCR. However, if the EEO Plan approval is more than two years old, an updated Plan must be submitted.
34. **Americans with Disabilities Act**  
Subgrantees must comply with the requirements of the Americans with Disabilities Act (ADA), Public Law 101-336, which prohibits discrimination by public and private entities on the basis of disability and requires certain accommodations be made with regard to employment (Title I), state and local government services and transportation (Title II), public accommodations (Title III), and telecommunications (Title IV).
35. **Immigration and Nationality Act**  
No public funds will intentionally be awarded to any contractor who knowingly employs unauthorized alien workers, constituting a violation of the employment provisions contained in 8 U.S.C. Section 1324a(e), Section 274A(e) of the Immigration and Nationality Act ("INA"). The Department shall consider the employment by any contractor of unauthorized aliens a violation of Section 274A(e) of the INA. Such violation by the subgrant recipient of the employment provisions contained in Section 274A(e) of the INA shall be grounds for unilateral cancellation of this contract by the Department.
36. **National Environmental Policy Act (NEPA)**
  - a. The subgrantee agrees to assist FDLE in complying with the NEPA and other related federal environmental impact analyses requirements in the use of subgrant funds by the subgrantee. This applies to the following new activities whether or not they are being specifically funded with these subgrant funds. That is, it

- (1) New construction;
- (2) Minor renovation or remodeling of a property either (a) listed on or eligible for listing on the National Register of Historic Places or (b) located within a 100-year flood plain;
- (3) A renovation, lease, or any other proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size; and
- (4) Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or educational environments.

- b. For any of a subgrantee's existing programs or activities that will be funded by these subgrants, the subgrantee, upon specific request from the Department and the U.S. Department of Justice, agrees to cooperate with DOJ in any preparation by DOJ of a national or program environmental assessment of that funded program or activity.

**37. Non-Procurement, Debarment and Suspension**

The subgrant recipient agrees to comply with Executive Order 12549, Debarment and Suspension (34 CFR, Part 85, Section 85.510, Participant's Responsibilities). These procedures require the subgrant recipient to certify it shall not enter into any lower tiered covered transaction with a person who is debarred, suspended, declared ineligible or is voluntarily excluded from participating in this covered transaction, unless authorized by the Department.

**38. Federal Restrictions on Lobbying**

- a. Each subgrant recipient agrees to comply with 28 CFR Part 69, "New Restrictions on Lobbying" and shall file the most current edition of the Certification And Disclosure Form, if applicable, with each submission that initiates consideration of such subgrant recipient for award of federal contract, grant, or cooperative agreement of \$100,000 or more; or federal loan of \$150,000 or more.
- b. This certification is a material representation of fact upon which reliance was placed when this agreement was made. Submission of this certification is a prerequisite to entering into this agreement subject to conditions and penalties imposed by *Section 1352, Title 31, United States Code*. Any person who fails to file the required certification is subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each failure to file.
- c. The undersigned certifies, to the best of his or her knowledge and belief, that:
  - (1) No federally appropriated funds have been paid or shall be paid to any person for influencing or attempting to influence an officer or employee of any federal agency, a member of congress, an officer or employee of congress, or an employee of a member of congress in connection with the awarding of any federal loan, the entering into of any renewal, amendment, or modification of any federal contract, grant, loan or cooperative agreement.
  - (2) If any non-federal funds have been paid or shall be paid to any person for influencing or attempting to influence an officer or employee of congress, or an employee of a member of congress in connection with this federal contract, grant loan, or cooperative agreement, the undersigned shall complete and submit the standard form, Disclosure of Lobbying Activities, according to its instructions.

- (3) The undersigned shall require that the language of this certification be included in award documents for all subgrant awards at all tiers and that all subgrant recipients shall certify and disclose accordingly.

**39. State Restrictions on Lobbying**

In addition to the provisions contained in Item 38 of Section G, Conditions of Acceptance and Agreement, the expenditure of funds for the purpose of lobbying the legislature or a state agency is prohibited under this contract.

**40. "Pay-to-Stay"**

Funds from this award may not be used to operate a "pay-to-stay" program in any local jail. Furthermore, no funds may be given to local jails that operate "pay-to-stay" programs. "Local jail", as referenced in this condition, means an adult facility or detention center owned and/or operated by city, county, or municipality. It does not include juvenile detention centers. "Pay-to-stay" programs as referenced in this condition, means a program by which extraordinary services, amenities and/or accommodations, not otherwise available to the general inmate population, may be provided, based upon an offender's apparent ability to pay, such that disparate conditions of confinement are created for the same or similar offenders within a jurisdiction.

If an award is made to support methamphetamine laboratory operations the subgrant recipient must comply with this condition, which provides for individual site environmental assessment/impact statements as required under the National Environmental Policy Act.

- a. **General Requirement:** The subgrantee agrees to comply with Federal, State, and local environmental, health and safety laws and regulations applicable to the investigation and closure of clandestine methamphetamine laboratories and the removal and disposal of the chemicals, equipment, and wastes used in or resulting from the operation of these laboratories.
- b. **Specific Requirements:** The subgrantee understands and agrees that any program or initiative involving the identification, seizure, or closure of clandestine methamphetamine laboratories can result in adverse health, safety and environmental impacts to (1) the law enforcement and other governmental personnel involved; (2) any residents, occupants, users, and neighbors of the site of a seized clandestine laboratory; (3) the seized laboratory site's immediate and surrounding environment of the site(s) where any remaining chemicals, equipment, and waste from a seized laboratory's operations are placed or come to rest.

Therefore, the subgrantee further agrees that in order to avoid or mitigate the possible adverse health, safety and environmental impacts from any of clandestine methamphetamine operations funded under this award, it will (1) include the nine, below listed protective measures or components; (2) provide for their adequate funding to include funding, as necessary, beyond that provided by this award; and (3) implement these protective measures directly throughout the life of the subgrant. In so doing, the subgrantee understands that it may implement these protective measures directly through the use of its own resources and staff or may secure the qualified services of other agencies, contractor or other qualified third party.

1. Provide medical screening of personnel assigned or to be assigned by the subgrantee to the seizure or closure of clandestine methamphetamine laboratories;
2. Provide Occupational Safety and Health Administration (OSHA) required initial and refresher training for law enforcement officials and other personnel assigned by the subgrantee to either the seizure or closure of clandestine methamphetamine laboratories;

7. Monitor the transport, disposal, and recycling components of subparagraphs 5. and 6. immediately above in order to ensure proper compliance;
8. Have in place and implement an inter-agency agreement or other form of commitment with a responsible State environmental agency that provides for that agency's (i) timely evaluation of the environmental conditions at and around the site of a closed clandestine laboratory and (ii) coordination with the responsible party, property owner, or others to ensure that any residual contamination is remediated, if necessary, and in accordance with existing State and Federal requirements; and
9. Included among the personnel involved in seizing of clandestine methamphetamine laboratories, or have immediate access to, qualified personnel who can respond to the potential health needs of any offender(s)' children or other children present or living at the seized laboratory site. Response actions should include, at a minimum and as necessary, taking children into protective custody, immediately testing them for methamphetamine toxicity, and arranging for any necessary follow-up medical tests, examinations or health care.
